

Kevin Ben LAURENCE, RPh

Kevin is a multilingual, Asia focused pharmacist, entrepreneur and advisor managing businesses spanning several industries, with special interest in healthcare and pharmaceutical industries. He started his career as a community pharmacist before venturing into the pharmaceutical industry as a sales and marketing executive. Kevin continued his career and passion in business by working in a top ranked Fortune Global 500 conglomerate, where he and his team managed approximately USD\$ 6 billion worth of healthcare and pharmaceutical companies around the globe. He specialises in market research, strategic planning, merger & acquisition, operational management, and business development.

Presently, Kevin is running his family businesses and concurrently, he is working as an Advisor for a leading Fortune Global 500 conglomerate and as a Partner for the largest health and medicines information company in Asia Pacific.

Kevin is also holding leadership positions in several international and regional non-governmental organisations, contributing back to the society through empowerment:

- Director, International Pharmaceutical Federation (FIP) Foundation for Education and Research (2021-2023)
- Project Management Chairperson, Asian Young Pharmacist Group (2021-2022)
- Governing Council, Singapore Chamber of Commerce (2021-2022)

He is a qualified pharmacist certified by the Ministry of Health Singapore and Singapore Pharmacy Council.
