## Leadership Development Workshop (LDW) at

### 81<sup>st</sup> FIP Congress in Brisbane, Australia 2023

Brought to you by a collaboration between the FIP Foundation, the FIP Academic Pharmacy Section, and the FIP Early Career Pharmaceutical Group, supported by the International Pharmaceutical Students' Federation.

All ECPG and IPSF members who are attending the FIP Congress in Brisbane, Australia in 2023 are invited to apply to attend the Leadership Development Workshop (LDW) on 23-24 September 2023.

The LDW is designed to help build and develop leadership skills for Early Career Pharmacists, Pharmaceutical Scientists and Students that they can use in future endeavors. As of March 13<sup>th</sup>, the confirmed programme outline can be found on page 2.

#### Eligibility criteria and application:

1. Must be a FIP ECPG Member at the time of application.
2. Must be registered to attend the FIP Congress in Brisbane, Australia 2023 by the application deadline (15 June 2023).
3. Must submit the following application materials via the link below:
  - a. CV (no more than 5 pages)
  - b. Motivation Letter (no more than 500 words)

#### Learning Objectives:

After attending this workshop, participants will be able to:

1. Lay out the structure and projects of FIP.
2. Differentiate current ECPG projects as they relate to FIP and the Development Goals.
3. Demonstrate soft skills and practical skills in leadership and management.
4. Cooperate, through networking opportunities, with active young leaders from across the world.
5. Produce ideas for future strategic planning of the FIP ECPG and explore opportunities on how to be involved in FIP ECPG.

**Applications deadline:** Thursday, 15 June 2023 at 23:59 CET.

For more information, <https://www.fip.org/early-career-pharmaceutical-group> or email [ecpg@fip.org](mailto:ecpg@fip.org).

Apply to attend the LDW [here](#).
