

Kevin Ben LAURENCE, RPh, Apt, Ph, BCMTMS

Kevin is an Asia-focused multilingual pharmacist, entrepreneur and advisor managing businesses spanning multiple industries, with special interests in the healthcare and pharmaceutical industries. On top of running family business and his ventures (boutique consulting and medical clinic), he works as an Advisor for a leading Fortune Global 500 conglomerate and as a Partner for Asia Pacific's largest health and pharmaceutical information company.

Kevin also holds leadership positions in several international, regional and local non-governmental organisations, contributing back to society through empowerment:

- Director, International Pharmaceutical Federation (FIP) Foundation for Education and Research (2021-present)
- Global Lead for Development Goal 6 - Leadership Development, International Pharmaceutical Federation (FIP) Hub (2023-2025)
- Project Management Chairperson, Asian Young Pharmacist Group (2021-2022)
- Honorary Advisor of Industry Chapter, Pharmaceutical Society of Singapore (2022-Present)
- Committee Member, Division 6 – Welfare and Career Development, Indonesia Pharmacist Association / Ikatan Apoteker Indonesia (IAI), West Jakarta branch (2022–2026)
- Executive Committee Member, DKI Jakarta, Association of Indonesia Pharmacy Professionals / Persatuan Ahli Farmasi Indonesia (PAFI) (2022-2027)

He is the first ASEAN pharmacist with triple licences from the Ministry of Health Singapore, the Ministry of Health Indonesia and the Ministry of Health Malaysia. Additionally, Kevin is also the first registered pharmacist in Indonesia and Malaysia to be awarded with Board Certified Medication Therapy Management Specialist (BCMTMS) title from the National Board of Medication Therapy Management (USA).

He is a recipient of a Master of Pharmacy scholarship from STARmeds (Systematic Tracking of At Risk Medicines), which is a collaborative research project among UK NIHR, Imperial College London, Erasmus University Rotterdam and Pancasila University. Kevin is also recipient of Tsinghua-INSEAD Executive MBA Scholarship for Entrepreneurship & INSEAD Indonesian Alumni and Friends Scholarship

He was awarded the "Local Heroes" award by the Indonesian Pharmacist Association and the Indonesian Young Pharmacist Group.
